Event Details

Congratulations! You have advanced to the Sub-regional qualifier for the 2021-2022 Drive, Chip & Putt Championship!

In years' past, you were required to send in a copy of proof of age prior the Sub-Regional. Effective 2019, only Regional qualifiers (those moving out of The Legend at Bergamont) will need to send in proof of age.

Tee times will be sent in the same fashion after all local qualifying is completed on July 27. This means you can expect to receive start time and event information from me no later than July 30th. Just like local qualifying, we start with the Boys 7-9 and finish with Girls 14-15. Tee times start at 9am CT and will wrap up around 2pm CT.
