Once again the Wisconsin PGA will offer any senior amateur (55 and older) with a handicap index of 3.0 or higher or any amateur with a handicap index 15.0 or above the option to play an intermediate set of tees instead of the standard tees for the event. Players **MUST COMMIT** to play the intermediate yardage for the **ENTIRE EVENT**. Players may only change which tees they want to play up until two days prior to the event.

**PLEASE KEEP IN MIND that players that play the intermediate tees could receive between 2 to 4 less handicap strokes compared to the standard set of tees.** USGA Handicap Manual (3-5). Professionals will be contacted in early February to determine if any of their players will use this option.

### **Standard Tees**

Total Length = 6500-6600 yds approx. We will attempt to use the following yardages as maximum yardages.

Par 3's - 210 Yds Par 4's - 430 Yds Par 5's - 550 Yds

**Intermediate Tees** Total Length = 6000-6200 yds approx.

## TEAMS & HANDICAPS

Each team will consist of one WPGA member or apprentice and four amateurs. Pre-Apprentice entries will be accepted after December 1st if space remains. All amateurs must have USGA handicaps.

Amateurs with handicaps at more than one facility must use their lowest handicap. Handicap indexes to be used will be 11/1/2016 revision or your current index on 2/1/2017. The lower of the two indexes will be used. The WPGA reserves the right to modify handicap indexes, based on score history for the entire 2016 golf season and past history in this tournament. **Also any player that has not posted a score since June 1st will receive a 10% reduction on their index prior to the event starting.** Maximum handicap strokes per player is 24.

Amateurs that do not have a history of playing in WPGA events must have a handicap established at a facility with a PGA professional on staff.

The WPGA staff will also have a handicap reduction formula in place and it may result in reductions for players during the event.
