

### PGA JLG Captain Registration now open in WI!

Nationwide Captain Registration launched on December 5th. The PGA Player Development Alignment team made a large effort towards starting this process earlier in order to maximize player recruitment. Giving Captains the option to register 90 days earlier than in 2016 gives them the opportunity to explore league options, create mock schedules and work out the details of their programs BEFORE players can register.

With that being said, Player Registration is expected to go "live" in early February. It is crucial to complete the Captain Registration before February so your facility is included in the search database.

Take a moment to visit the PGA JLG tab on our website. You'll find links to current Captain registrations, the 2017 schedule, the Captain's guide, and the direct link to sign up. Any feedback or comments are welcome.

PGA JLG at Door Creek in 2016

### Drive Chip and Putt sites and dates secured for 2017
