Stevens Point, WI - Rain washed out the second round of play at the 2005 Wisconsin State Senior Open on Wednesday afternoon. Without relief from the rain and lightning in sight, the tournament committee for the WPGA decided that the tournament would need to be shortened to 18 holes. On Tuesday Rich Tock, the Head Golf Professional at Ozaukee Country Club in Mequon fired the only par or better round of the 2005 Wisconsin State Senior Open. Tock shot a even par 72, en route to his low round of the tournament he was able to card two birdies and one double bogey on the tricky SentryWorld track. Tock had to say this about capturing his first Wisconsin State Senior Open Championship "Sometimes tournaments get shortened, I just never got on the right end of it before." The 2006 Wisconsin State Senior Open is to be played at Eau Claire Golf and Country Club.
