

PGA HOPE is the flagship military program of **PGA REACH**, the charitable foundation of the **PGA of America**. **PGA HOPE** introduces golf to all Veterans in order to enhance their mental, social, physical and emotional well-being.

The **PGA of America** and local PGA Professionals are working closely with the VA system across the country to assist Veterans in their transition.

Sessions are taught by local **PGA Professionals** with assistance from trained volunteers and include clubs and equipment if needed (**please let us know beforehand**), training aids, range balls and weekly golf course access.
