

**RED Nine at Mascoutin Golf Club****WHITE Nine at Mascoutin Golf Club**

Please find your All Star team's pairings below. Please note the color of your team's jersey highlighted below. Please note because of the odd number of teams on each side, there are two tee times with all four players wearing the same color jerseys. This is OK! I felt it made more sense for each team to be "unified" with the same team jersey color. Remember, they are only posting a TEAM SCORE against the other TEAMS on THEIR SIDE (RED or WHITE nine). The LOWEST TEAM SCORE (count 3 out of 4) from the RED NINE and the LOWEST TEAM SCORE (count 3 out of 4) from the WHITE NINE move on to the final four **Section Championship at The Legend at Bergamont on August 18th** where traditional match play is the format. \*\*Substitutes sub in before teeing off on holes 1, 4 and 7. All players must play at least six holes\*\*

Each Captain receives 2 carts at no charge to use at his/her discretion. Spectators can purchase a cart in the golf shop and they are available on a FCFS basis.
