

## A Huge Benefit for your PGA Jr. League Participants

As a PGA Jr. League Captain, you are the leader at your course and community—fully equipped to transcend the lives of youth through golf. In an effort to make Wisconsin junior golf opportunities accessible and affordable, the Wisconsin PGA Jr. Foundation is excited to offer their memberships at a discounted rate to all juniors who register for PGA Jr. League. The discount code comes from the player's Captain or Coach only.

Membership Code (case sensitive): JRLEAGUE20

The discount will save each junior \$24 on membership registration. The junior's age as of June 1<sup>st</sup>, 2020 determines level of membership.

Our main goals include increasing the number of Jr. Foundation members, offering juniors *additional* opportunities to compete, and introducing them to a player pathway once they age out of Jr. League. Overall, we are striving to create life-long golfers. Read the membership descriptions below.
