

WPGA Jr. Foundation Skills Challenge

DATE / SITE / TIME: Sun., Sept. 6 – Whistling Straits – Tee Times start – 1pm by age division

OVERVIEW: In an effort to offer a fun, yet competitive experience for boys and girls ages 7-15, we created the "Skills Challenge" in lieu of the canceled Drive, Chip and Putt season. This one-day event will allow competitors to test their skills in golf's core areas- driving, chipping and putting. Golfers of all skill levels are welcome to compete at the 2021 Ryder Cup site.

ELIGIBILITY:

- The WPGA Jr. Foundation Skills Challenge is limited to the first 120 players that enter by the deadline or when capacity is reached for an age/gender division, whichever happens first. A waitlist may be formed at the discretion of the WPGA Jr. Foundation staff. There will be no on-site; day of the event walk-ons permitted.
- A participant's age division **is based on his/her age on the day of the event - 9/6/20.**
- Participants must be residents of Wisconsin and/or a Jr. Foundation member.

FORMAT: Each participant will hit a total of 3 drives, 3 chips and 3 putts, much like the Drive, Chip and Putt competition. For the driving competition, points are accumulated based on accuracy and distance inside a 40 yard wide grid. For chipping and putting, points are accumulated based on proximity to the hole. Awards will be given to the top three in each skill and overall finish in each age and gender division. Please note: depending on COVID-19 guidelines, award ceremony procedures are subject to change.

REGISTRATION: To sign up, click on your junior's age/gender division and fill out the form accordingly. Please note, if you have multiple children competing, you will have to fill out the form more than once even if they are in the same age and gender division. The form will automatically disable once we reach capacity for each age and gender category. **Deadline to sign up is August 30th at 11:59 pm CT.**
