DCP is broken up into age categories where participants will show off their skills in three different contests: driving, chipping, and putting. The top three with the most points, in their respective divisions, advance to the next round at either SentryWorld or The Legend at Bergamont in early August.

Each player receives a tee gift on the day of the event—and the best part? This event is sponsored by the Masters Tournament, USGA, and PGA of America meaning there is NO cost to register your child. Go to www.drivechipandputt.com to register or ask your local PGA Professional for more information.

*age based on April 3, 2022. For example, if your six year old turns 7 by April 3, 2022 he or she is eligible for the event.
