Course Manuals: PGA Associates are encouraged to review the course manuals and complete pre-seminar activities to facilitate discussions during seminar.

Seminars: Seminars last five (5) days and are held at the PGA Education Center.

Work Experience Portfolio: The work experience portfolio emphasizes subject-specific activities and integrated projects that link to on-the-job application.

Knowledge Tests: PGA Associates must pass a knowledge test comprised of multiple-choice and true/false items linked to each of the content domains. Test registration is available through a third-party test company.

Rules of Engagement

- PGA Education encourages participation by everyone, though keep in mind the following seminar etiquette;
 - Courtesy and respect are timeless principles, as well as good manners
 - Think before you chat or speak - Knowing when to speak is just as important as knowing what to say
 - If you think it might offend someone, DO NOT say it or write it in the chat
 - If you have a question about content or concepts presented in the seminar ask or chat, chances are there is someone else that has the same question

Questions

Please ask any faculty member during the week if you have questions concerning PGA PGM Requirements, Work Experience, Testing, Acceptable Progress or any issues that you may be having.

We are here to help!
