(Ok it's a fivesome but it's MY dream)

Best Golf Course Snack or Drink – Smoked brisket tacos on 10th tee at Austin Country Club

What are you most looking forward to in 2022? Looking forward to continuing our amazing success story at The Legend Clubs with the opening of the expanded and renovated clubhouse at The Legend at Merrill Hills and expanded pool complex at The Legend at Bristlecone.

Enjoying my families good fortune by spending more time with them.....hopefully in Austin, Texas.

I am most looking forward to sharing our success at The Legend Clubs with the members and staff that built it and to expanding our support for Junior Golf and the Military.

Comments or Thoughts – What does this award mean to you? "It's incredibly humbling to be recognized for The Legend Clubs continued commitment in honoring and supporting those that serve in the military. Golf is such an amazing platform for giving back and for promoting patriotism. Those of us who didn't serve can never comprehend the sacrifice and suffering of those that fought in combat and the strain on their families. Having grown up in a military family, supporting our veterans is very personal to me. It's a debt that can never be fully repaid. My most sincere thanks go out to the members and staff at The Legend Clubs for their unwavering support of this mission. My thanks to the PGA of America for bringing a spotlight to supporting our veterans through this award and many other initiatives. My thanks to Fisher House and Folds of Honor (and so many other terrific military charities) for their amazing support of our veterans and their families. Both started with one man's vision and purpose. It should be an example to us all of what is possible when committed people support righteous causes. SEMPER FI"
