## 2022

## CHAMPIONSHIP SEASON

# All Star Team Composition

13u All-Star teams are comprised of eight (8) players from the local league's teams. Each team from the league must be represented by at least one player. No 13u All-Star team may have more than four players from one local team and no 17u All-Star team may have more than three players.

The league may agree to compose the team as they see fit (tryouts, etc.). However, the following recommendation can serve as a guideline for allocating spots on an All-Star team:

- For a seven team league: the league champions get two spots, one spot each from the remaining six teams.
- For a six team league: the league champions get two spots, runner-up gets two spots, one spot each from the remaining four teams.
- For a five team league: the league champions get three spots, runner-up gets two spots, one spot each from the remaining three teams.
- For a four team league: the league champions get three spots, runner-up gets two spots, two spots for the third place team, one spot for the fourth place team.

Coaches must submit All-Star rosters by the deadline put in place by the Section in order to be eligible. There are no exceptions to this rule. Deadline: August 1, 2022.

**13u All-Star players must be no younger than 10 years of age and no older than 13 years of age as of July 31, 2022.**
