

Nelthorpe Cup Matches Team Selection

Use the current Player of the Year Point system for both senior and regular participants.

Team is 16 players, selected as follows:

As of December 1st of current year, the following year's team will be selected. This should allow all national events for which points are allocated to be concluded.

The top 11 from Player of the Year points under the age of 50 from previous year will make the team. The 12th player will be the current WPGA Professional Champion. If the Champion is one of the top 11 players, the 12th player from the Player of the Year point list will make the team.

Top 4 players from the senior points will be selected providing 2 are at least 55 years of age as of December 1st. If less than 2 players in the top 4 are 55, then the next player that is 55 or older will be selected. All 4 seniors may be 55 or older, however 2 must be at least 55. Age is determined as of December 1st of playing year conclusion.

Seniors will be required to play in the senior portion of the event unless they only qualify for the team through the member point list.

Alternates:

If a regular or senior cannot play, they shall be replaced by the next person on the previous year's Player of the Year point list.
