# WISCONSIN ASSISTANT ASSOCIATION

## MISSION STATEMENT

The Wisconsin Assistant Association exists to provide assistant golf professionals who are seeking or have attained PGA Membership opportunities in education, tournament play and building professional relationships.

## ELIGIBILITY & CLASSIFICATIONS

All A-8 Members of the Wisconsin PGA and registered Associates (B classification) are considered members of the Assistant Association and may participate as long as they are in good standing with the PGA of America. Any suspended member or associate may not participate in events. An associate terminated for not becoming a PGA member within 9 years may only participate in WPGA member/associate only events in the future as either a PGA Associate or a PGA member.

**Definition of PQ (Pre-Qualifier)** – person that has taken and passed a background check and paid the \$200 to have access to the 4 online qualifying level courses – Introduction to the PGA PGM Program, PGA Constitution, Introduction to the Rules of Golf, and Career Enhancement. Individuals have a maximum of 9 months to pass the PQ courses and supplemental quizzes from the date of registration. On average, it takes an individual less than one month to complete. To register for the Qualifying Level – contact the PGA of America at 1-800-474-2776 or visit [www.pga.org](http://www.pga.org) and find the “become a member” section in conjunction with the PGA Associate program.

**Definition of QE (Qualifier Eligible)** – person that has taken and passed the background check and passed the courses and supplemental quizzes on the above courses. Individuals have 12 months to register as an Associate from the date of passing the PQ courses/quizzes.

**PGA Associate** – person that has taken and passed the background check and passed the qualifying exams on the above courses, provided proof of a qualifying PAT score, completed the application for the PGA PGM program and paid the applicable fees including Level 1 and PGA Associate dues.

**Tournament Eligibility Rules** – Individuals that are either a PQ or a QE may register with the Wisconsin PGA to participate in tournaments for a fee of \$100. PQ and QE’s must be employed full-time in the Wisconsin PGA in a classification eligible for application into the Associate program. The non-refundable fee is \$100 regardless of how many events you participate in. This approval is good for one golf season only, April-October. Individuals may register for one season only as a PQ and one season only as a QE. Registration is for the current calendar year and does not carry over into the next calendar year.

**PGM Students** – PGM students do not meet the previous criteria and are not considered to be PQ or QE given their progress through the PGM program.

However, PGM students have the option of paying the \$100 fee to participate in Wisconsin PGA events *provided, they understand their amateur status is forfeited upon doing so*. This temporary affiliation is simply to play in events until the student is elected to Class A membership after graduation. It may be utilized once. Keep in mind during this transition PGM students do not have official affiliation with the PGA of America nor Wisconsin PGA.

This option is unique to our Section, and students must provide the contact information for their PGM program director at their University. The program director will help confirm their eligibility and credentials.

**\*Pro-Assistant Championship Eligibility\*** – A-8 PGA members, registered associates and PQ and QE approved tournament players are eligible to participate. In addition, if the event reaches the registration deadline and capacity allows - any professional working full-time at a facility with a WPGA Professional on staff may pay an additional \$50 fee to participate in the event. This exception is a one-time exception, and the individual will forfeit their amateur status by playing in the event. Head professionals that express interest in this option will be offered spots based on the order they registered for the event. For an assistant to be eligible for this tournament they will be asked to fill out the eligibility form. We will reach out to your supervisor listed and send you the payment link after eligibility is verified.

**Responsibility of the Applicant:** The applicant hereby agrees to adhere to and be bound by the Code of Ethics as set forth in the Constitution of the PGA of America, the by-laws of the Wisconsin PGA, and the tournament rules established by the Tournament Policy Board. The applicant further agrees to conduct himself/herself at all times, in a manner that will bring him/herself and to the professionals of the Wisconsin PGA. The applicant further agrees to conduct himself/herself at all times, in a manner that is consistent with all professionals of the Wisconsin PGA.

**Tournament Limitations:** Approved player status will permit the PQ or QE to participate in all tournaments co-sponsored by the WPGA, excluding those events which are for WPGA members only. Please keep in mind some events have priority registration for PGA members and associates (Classics & Pro-Ams).

**FINAL NOTE:** Applicants hereby agree to forgo their amateur status upon approval of their application to become a WPGA tournament player as a PQ or QE. Consequently, this temporary membership does not register you with the PGA of America or give you status with the national organization.

## COMMITTEE OVERVIEW

**Communication:** Facilitate information among the Assistant Association members which relates to education, career advancement and playing opportunities

**Education:** To provide educational opportunities for assistant golf professionals to improve their employability and encourage their professional development.
