FEATURES!

AUTO PARK BRAKE

with Patented **STOPSMART**
TECHNOLOGY

Optional and only available on Tempo Lithium 2 Passenger and Tempo Lithium 2+2 Vehicles.

- **Electronic Park Brake System:** Automatically stops the car based on registered speed—no more stomping to park the vehicle
- **Responsive Mechanical Braking:** Enjoy a consistent, reliable feel – no “squishy” braking like competitors’ drive-by-wire systems
- **Independent Braking Systems:** Service and park brakes function independently for increased reliability
- **StopSmart Technology:** This technology gradually slows the vehicle, preventing abrupt stops on the course for drivers and passengers

REDESIGNED DASH

Installed on all Powertrains.

- **Sleek Two-Tone Styling:** Enjoy an updated, sophisticated look with two-tone design elements
- **Relocated FNR Control:** The FNR (Forward/Neutral/Reverse) control has been seamlessly integrated into the dashboard for improved accessibility and convenience
- **Dedicated Phone Holders:** Thoughtfully designed phone holders are conveniently located in the center console area, ensuring easy access and secure storage
- **4 Convenient Cupholders:** Designed for larger beverages, offering ample space for your drinks
- **Optional Wireless Charging:** Two integrated charging pads in the center bottom storage area allow for cord-free wireless charging of your devices
